Beko plc continuously seek improvements in specification, design and production of products and thus alterations take place periodically. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specification, nor does it constitute an offer for the sale of any particular appliance.

The Beko Home Appliance Collection

Refrigeration - Beko Gives You More Choice for Greater Flexibility

From state-of-the-art large capacity side-by-side refrigerators to a simple under the counter fridge or freezer, the Beko refrigeration range has been developed to combine modern design with the latest technology. In striving to make your life easier, the new range offers great features as well as clever storage and cooling solutions. With a large choice of models, sizes and colours to suit any kitchen style, you will be sure to find the perfect appliance from the UK's leading refrigeration brand.

Improved Design

To blend performance with style has always been one of guiding principles of Beko's development drive. This is particularly important with refrigeration appliances, which can often be the dominant feature of a kitchen. Beko's latest refrigeration appliances (60cm and 70cm wide) have been further improved in design and feature re-contoured handles that are easier and more comfortable to use as well as more attractive to the eye.

'A+' Energy Rated Across the Range

All Beko refrigeration appliances are 'A+' energy rated offering great performance with minimal energy consumption.

'A+' energy rated models consume up to 24% less energy than 'A' rated models.

Your Guide to the Beko Refrigeration Range

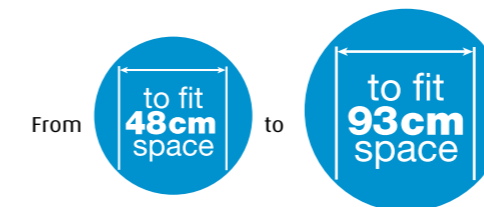

Each refrigeration selection has been displayed in order of size and capacity for your convenience.

						
Four Door Large storage capacity - flexible compartment 92.5 cm wide Pages 70-73	Side By Side Large storage capacity - stylish finish 92.5 cm wide Pages 74-77	Fridge Freezer Separate compartments give great flexibility 70cm, 60cm and 55cm wide Page 78-89	Top Mounted Fridge Freezer All the benefits of this classic design 55cm wide Page 89	Tall Larder & Freezer Tall fridges or freezers available From 60cm to 55cm wide Page 90-95	Chest Freezer Large capacity storage with easy access Page 96-97	Under Counter Fridge and Freezer Designed to fit under the work surface Page 98-101

Beko offers the largest range of height and width models in the market.

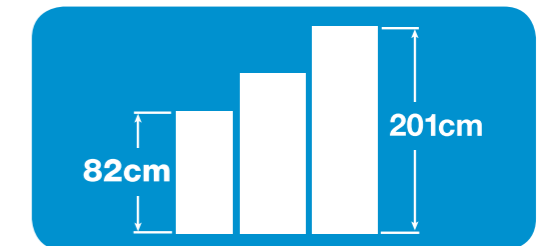

How Much Space Have You Got?

From slim to large there's a stylish solution.

Choice Of Heights

From 82cm to 201cm.

Feature-Packed For Top Performance

Fridge/Larder Features

Stored Water Dispenser

Integrated dispenser for instant access to chilled water.

Beko has the largest range of stored water dispenser models in the market. All Stored Water Dispensers come with Safety/Child Sliding Lock to prevent accidental spillage.

Chiller Zone Compartment

Stores fresh meat, fish, ready cooked and chilled food at around 0°C for safer and longer storage.

Wine Rack

A stylish, elegant and safe way to store your bottles of wine so they are cool and ready to be poured. Also suitable for standard 2 litre soft drink bottles.

Ambient Temperature

All Beko fridges and larders can operate in lower ambient environments down to 5°C.

Freezer Guard Technology

Beko's Freezer Guard technology uses an electronic temperature control system ensuring the freezer carries on working even when ambient temperatures plummet. The system ensures that food stays frozen by keeping the freezer working in ambient temperatures as low as -15°C.

As well as giving peace of mind, you have the opportunity to locate the freezer and frost-free fridge freezer in the kitchen, or anywhere else in the home. The extra storage space is ideal for Christmas and perfect for large families.

Freezer Features

Ice Bank Slimline Tray

Keep the ice cubes separated from the rest of the food thanks to this special slimline tray.

Clear Freezer Fronts

Enables freezer contents to be easily identified.

Double Twist and Serve Ice Cube Tray

Simply twist the holders and the ice cubes will deposit directly into the removable tray.

Frost Free

No need to manually defrost the freezer. It prevents ice building up and restricting valuable storage. The air circulation enables food to freeze faster.

Finger print free stainless steel doors

Active Fresh Blue Light
Prolongs the storage life of fresh fruit and vegetables whilst maintaining their natural flavours and nutritional elements

Beko Four Door - Big in Style

GNE114610APX

Innovative Four Door Fridge Freezer with flexible, large capacity storage

Active Ioniser
Keeps circulated air clean, preventing bacteria formation for maximum freshness

80cm Full Width Glass Shelves
One piece full width adjustable shelf - ideal for large items

Active Fresh Blue Light
Prolongs the storage life of fresh fruit and vegetables whilst maintaining their natural flavours and nutritional elements

Double Twist and Serve Ice Cube Tray
Easy to use ice cube maker. Simply twist the holders for the ice cubes to deposit directly in the removable tray

Fast Freeze Compartment
Rapid freezing process keeps nutritional food values and flavours intact

Total Gross Volume: 608 litres
Net Fridge Capacity 462 litres
385 litres fridge volume + 77 litres Multizone
Net Freezer Capacity 155 litres
78 litres freezer volume + 77 litres Multizone

Active Dual Cooling System
Helps maintain humidity and freshness in the fridge and freezer compartments for optimum cooling and freezing performance

Active Odour Filter
Prevents odour transfer between compartments

Large Chiller Zone Drawers
Fridge storage for fresh fish, meat, ready cooked or chilled food

Multizone
By just pressing the button on the electronic touch control digital display, the bottom right compartment can be used as either a fridge, chiller, wine cooler, or a freezer.
It will come in handy if you have a party and need that extra fridge space.
Alternatively, if you have had a trip to the supermarket and want to stock up the freezer with all those offers, you can switch back to the freezer function.

Electronic touch control LED display with special energy saving eco and holiday settings

Side By Side Fridge Freezers

Our stunning side by side fridge freezers are not just great looking, they also come packed with great design ideas to help make life easier.

A+

A+ Energy Rating

The new SBS models **GNEV321AP** and **GNEV221AP** are 'A+' energy rated consuming up to 24% less energy than standard 'A' rated models.

Active Dual-Cooling system to prolong food shelf life

Independent fridge and freezer cooling systems provide a higher level of humidity to prolong the storage life of fresh fruit and vegetables while preventing odour transfer.

Control

Advanced Digital Display

Control your appliance through advanced, yet easy-to-use settings to adjust temperature and dispense ice and water (GNEV321AP only).

Digital Display

Easy to view temperature display helps you control your appliance.

Dual Action Doors

Opens to 120°, the ideal angle for easy access whilst protecting furniture and the appliance doors. A wider (150°) opening is also provided.

Active Hygiene

Active Seal Guard

Antibacterial door seal improves hygiene

Fridge Features

Stored Water Dispenser

Integrated dispenser for instant access to chilled water.

Beko has the largest range of stored water dispenser models in the market.

Wine Rack

A stylish, elegant and safe way to store your bottles of wine so they are cool and ready to be poured.

Quick Cool function

It provides a rapid Cooling process while keeping nutritional food values and flavour intact.

Chiller Zone Compartment

Stores fresh meat, fish, ready cooked and chilled food at around 0°C for safer and longer storage.

Freezer Features

Frost Free

No need to defrost the freezer as the system will prevent ice building up and restricting valuable storage. Your food will therefore stay fresher for longer while maintaining its natural flavours.

Fast Freeze

The system in the freezer will provide rapid freezing process while keeping nutritional food values.

Double Twist and Serve Ice Cube Tray

Simply twist the holders and the ice cubes will deposit directly into the removable tray.
